Re: Yosef Magid v Waldman 19-CV-11516 (JMF)

Your Honor,

I represent Petitioners, Yosef Magid and Jacob Rottenberg in the above referenced action to enforce an arbitration award, in which the Court issued a judgment in favor of Petitioners.

On October 21, 2020, I issued Interrogatories and a Notice to Produce, seeking information as to the identity, location and scope of Respondent's assets, and served the same on Respondents counsel. No responses have been provided to my office whatsoever. I complained of the same to Respondent's counsel last Tuesday, November 24th, 2020, seeking to avoid judicial interference, and to date, have not received any discovery. In accordance with Local Rule 37.2, Petitioners hereby request an informal conference so that this matter can be resolved without resorting to motion practice.

Respectfully,

Maria J. hoserby

Per the Court's Individual Rules and Practices, Respondent had three business days to respond to this letter. He filed nothing. In light of that, and in

Maurice I. Rosenberg

light of the fact that his time to object to Petitioners' discovery requests has come and gone, there is no need for a conference. Respondent shall cure his discovery deficiencies within one week of the date of this endorsement. Failure to do so may result in sanctions. The Clerk of Court is directed to terminate ECF No. 51.

SO ORDERED
